

Autumnwood Dental

GENERAL ANESTHESIA & SEDATION CANCELLATION POLICY

We require at least 72 hours' notice to reschedule or cancel your appointment.

In an effort to provide excellent care to all of our patients, please be mindful of the appointment date/time when scheduling for general anesthesia or sedation. Our office has implemented a semi-refundable \$200 deposit to secure your appointment. This deposit will be applied to your account balance and any remaining credit will be refunded based upon an on-time appointment. Late appointments will result in a \$50 charge per every 5 min of tardiness that will be deducted from your deposit. Missed appointments will result in the loss of the deposit entirely and dismissal from the practice.

We will assist in your effort to be on time for your appointment by periodic reminders and confirmation calls/text/emails at least 1 week and 72 hours prior to your appointment. Please provide the office with a reliable email address and phone number.

We strive to be able to offer all of our patients' wonderful care in a timely manner and this requires your responsibility to be prompt. Thank you for choosing Autumnwood Dental, we look forward to treating you.

I understand this policy and will comply fully with no reservations,
